Help thinking that London audiences are much before a conscience, what matters are the London audiences are much before the However, with a clear conscience, what matters are the London audiences are much before the However, with a clear conscience, what matters it? How Edua May lives, how she takes bet suctive and any little impertment details she might to yours. Londoners can't do enough to make addition there is a special preparation of vouchsafe to give these were my real several policy. They well slower the properties along the properties are the London audiences are much before the that I had appare by suggested to him. And the clear conscience, what matters it? How Edua May lives, how she takes bet suctive and the policy of the West Shore, the Michigan Central has a constant and the conscience, what matters is a same I could detect a drab look of doubt in it.

Here. It is so quiet, and so charming. I can the the London audiences are much before the that I had appare by suggested to him. And the clear conscience, what matters it? How Edua May lives, how she takes between the conscience, what matters is a same I could detect a drab look of doubt in it.

How Edua May lives how a conscience, what matters is a same I could detect a possession of the Philadelphia, Erie, the Schuylkill Valley, the Western counted in the history of the race, that we Edna May's house is not palatial. It is a pretty to their houses. Ask a mere actress to the fire. She is married, and she married well." Pennsylvania, the Northern Central, the St. Louis, Vandalia & Terre Romans did this, and the Chinese do it still. forming a sort of semi-circle and leading out of Hante, the Toledo, Peoria & Western, the Pittsburg, Cincinnati, Chicago And not only were babies killed, but old men Edna lives in a palace, and is obsequiously waited & St. Louis and the dozens of other roads now included in its system. " us that the killing of old persons ceased long probably be very disappointed at the unassuming

The process is continuous. The main line of the New York Central before the killing of infants. was once a succession of short independent roads, whose through passengers had to change cars every hour or two. Cornelius Vanderbilt com- fore they wanted to escape the fate of their lag me. I told the cabby to wait for me, and bined these local routes into a "trunk line." Next followed the acquisi- predecessors and they knew that they never the company: I want stand to tion of feeders, and soon the New York Central was a "system." It So it was a purely selfish reason that made and a few others, but she came out in most inneeded Western connections, and the Vanderbilts went to Chicago over before that of bables. the Lake Shore and the Michigan Central. Speculators paralleled the A few years ago our infants in their first style a style that seems to me to resemble mas lines and had to be bought out, and so the system acquired the West of bables of from one to five years of age agrees with Edna. Her complexion was creamy: Shore and the Nickel Plate. Then came a further Western extension Certainly this is one thing in which our altogether, she was as pretty and dainty a creature toward the Pacific, and now the acquisition of the Boston & Albany has age has a right to take pride. This growth "If you would prefer it. Mr. Date " she walk completed the transcontinental growth.

Neither the New York Central nor the Pennsylvania system has yet of Mr. Straus, by the way, are the only things bound to admit that I would. Memmer seemed to me a very pleasant, liste-thread sort of lady, but I entirely occupied its own territory, but the work is so nearly done that that reconcile the masses to the riches dislike the brand. Mommer is always an encum the next step is at hand, and that is consolidation of the two systems. Just here another reflection suggests itself, about the days when darling Edna ate pap, and a superior being. They want you at the theatre, that a young Salvation Army girl came to see me And when that is accomplished, and all the odds and ends of railroads we do not yet think sufficiently of the helpnorth of Maryland have been nicked up it will be time to crethon in any less room and women whose working days are north of Maryland have been picked up, it will be time to gather in an. less men and women whose working days are memmers is simply appalling. And they are all so Imagine poor little Edna May singing for royalty: other system.

It would surprise no well-informed observer of the course of events people have spent their lives in serving their fellow men. And the horrible nightmare to grow and study, and I watched her drink tea and ent but tered scone, "that I have always been grateful to ing. It has never been sung before."

"Would you leave the stage under those stances?"-my only impertinence.

Edna May laughed. "No, I don't believe that I could live without it," she replied. "It is all so new and delightfut to me. I suppose I am spoiled, because you know it is really a picnic staying so long in one place, living there, and simply driving to the theatre when it is time to go on. No; I have taken no lessons in singing. I have no time to devote to it. They tell me that my voice has improved and has increased in volume. That may be You see, in New York, after long rebearsals and hard work, I was a little blt fagged out. Now I am at my best, and I hope that fact shows. Oh," she said, jubilantly, "Londoners are dear things! Just think of the ovation that Lydia Thompson got! Most of them had forgotten all about her. It was years since she had appeared. But at her benefit the artists gave their services and the public their money, and Miss Thompson must have felt that life was worth living."

The young comic opera girl reflecting upon the finale of the old comic opera girl appealed to me rather dramatically. What a picture of the beginning and the end-Edna May, young, pretty, enthusiastic, highly salaried; Lydia Thompson, old once pretty, disillusioned and publicly "benefited!" These are the contrasts that one meets everywhere in life, but particularly on the stage,

"Those stories that you rend about me in the dailies," Edna resumed, "are not fakes. You are a suspicious person, I know. But it is quite true I am not going to let it turn my head, I am "Not grand opera?" very anxiously
